

K-LOVE is a national FM station that gives people hope. People who go through transitions/moving across country(like I have) need something familiar to get them through those tough times, that is what K-LOVE provides. Also, being a large national company they allow the listeners access to the national broadcast messages and speakers that we otherwise cannot find in our local towns. Please do not let down all of us who listen to K-LOVE daily. There are FEW stations left that are wholesome and positive, do not take this away from us. Thank you for your time. Sincerely, Jamie Campbell
